Box Patent Application
Attn: Mr. Tom Hawkins
Assistant Commissioner for Patents
Washington, District of Columbia 20231

January 29, 2003

Mr. Hawkins

Regarding Application No. 10/000,360
Petition To Withdraw Holding Of Abandonment:

Thank you for your efforts on behalf of my Patent Application. I have received a notice of abandonment of my Patent Application. If at all possible Please review the enclosed copies of my canceled check for \$625.00 and a sincere apology for submitting the wrong amount for the issue fees. This was a simple mistake on my part when entering the improper amount into the computer for printing the check. I am submitting the additional \$25.00 checks for proper payment of issue fee's due and would very much appreciate your consideration of continued processing of my application. This is my first attempt to patent a product and have had a great deal of assistance from all involved at the Patent and Trademark office thus far, and it would be a real shame to have struggled to this point and failed on such an ignorant step on my part.

Sincerely

Alfred B Levesque
